Summary:

(dr) 07/20/11 @ 1355 hrs EXT 2248 ***CALLOUT # 11-2042 // MISSING

PROP-FROM PREMISE // DRV-IMPROPER SEARCH // DRV-FAIL TO
PROVIDE NAME/SHIELD*** C/V (Sammantha Brooks) called the C/c in
regards to the following:

The C/V states sometime last week, her boyfriend got into a dispute w/ a
neighbor of hers. Two unidentified subject officers responded, stated
that since her boyfriend was actually in the other party's house he could
be arrested for burglary and that he cut the other party's face; the
officers then searched the C/V's car after the C/V gave permission - when
the other party stated there were guns in the car, the officers then went
to her apartment and wanted to search but she did not allow them. The
C/V describes the S/Os as being rude and disrespectful by telling her she
could be arrested if she filed a complaint against them. The C/V also
states the officers searched her friend's cars for weapons, apparently w/
negative results.

The C/V was then informed by a neighbor of hers that the same S/Os
kicked in her door sometimes around Fri 07/15/11 @ 0100 hrs. The C/V
believes the officers did not secure the apartment, and then an unknown
individual ransacked the apartment and removed \$3,000.00 USC and a
flat screen TV. The C/V added that the officers also kicked in the other
party's door - the one they had the initial altercation with.

The C/V speaks w/ S/O1 who informed her that they made a call for a
unit to come and install a temporary lock on her door, and when she
asked S/O1 for his name and shield number, he told her that he was not
going to give it to her since it was on the report.

The C/V did call 911 on 07/18/11 @ 2100 hrs and had a complaint report
prepared for burglary. She states that PO Naranjo shield 29890
responded and assisted her, and that he was very nice. The C/V states
that no one arrived to take prints.

At the time of this telephone interview, the C/V states she is at the 075
pct to file a complaint against the other party for threatening her, but
that they are 'dragging their feet.' The C/V was advised to call the C/C
back if she encountered further difficulty.

The C/V's descriptions of the S/Os are as follows:

S/O1 White male, 5'6, bald, clean cut, light eyes.

S/O2 White male, 5'7, dark hair and mustache.

The C/V noted that S/O2 did provide his name and shield number, and
that she had it written down but did not have immediate access to it.

*Re-used log.
